Dedicated desk 105-AB

Window desk beside the conference room

ABOUT THIS DESK

Desk 105-AB sits at the end of the window row closest to the conference room, where a long birch counter runs under timber beams strung with warm bulbs. A floor-to-ceiling window looks out on trees and flowering shrubs, so daylight reaches your keyboard all morning. Behind the counter, a glass wall opens onto the conference room, and an enclosed phone booth stands right beside your chair.

This is your own desk, reserved for you, not a seat you hunt for each morning. You get in 24/7 with the Kisi phone app or a fob, work on gigabit fibre, and keep coffee within reach. The phone booths are a few steps away, and the conference room next door is free for desk members when it is available, which makes client calls and short meetings easy to fit into the day.

Ideal for: Consultants, recruiters and sales reps who take calls
