Dedicated desk 105-CD

Daylit desk with birch screen shelf

ABOUT THIS DESK

Desk 105-CD faces a tall window in the row of workstations that runs along the glass wall of the floor. A raised birch shelf lifts your screen to eye level, a felt mat covers the work surface, and a low side table by the window holds a small plant. Outside, trees and lilac-coloured shrubs fill the view. Overhead, timber beams hung with warm bulbs run the length of the row and give it an easy, unhurried feel.

The desk is reserved for you alone and open to you 24/7 with the Kisi phone app or a fob. Gigabit fibre, coffee and the phone booths come with it, and the conference room is free for desk members whenever it is open. The floor is quiet and professional, with no reception counter and no organized events, so the day stays about your work.

Ideal for: Freelancers and remote employees who want daylight
