Dedicated desk 105-EF

Long counter beside a glass door

ABOUT THIS DESK

Desk 105-EF gives you a generous run of birch counter, long enough to spread out a laptop, notebooks and a second screen without anything feeling cramped. It sits beside a fully glazed exterior door, so sunlight slides across the wood grain and the view runs straight out to trees, lawn and flowering shrubs. A broad-leafed plant and a low side table fill the corner by the glass.

The desk is yours alone, with 24/7 access through the Kisi phone app or a fob. You work on gigabit fibre, coffee is part of the deal, and the phone booths are close by for calls you would rather take behind a closed door. When you need a table for a meeting, the conference room is free for desk members as available.

Ideal for: Writers, analysts and designers who spread out
