Reserved desk in the 106 row

Shared spaces at 2727 Coworking

ABOUT THIS DESK

Desk 106-EF is a dedicated workstation in the 106 desk row, outlined on the floor plan below. It is reserved for you alone, so you can leave your setup in place from one day to the next instead of hunting for a seat each morning.

Access is 24/7 through the Kisi phone app or a fob. Gigabit fibre and coffee are included, the phone booths are close by for private calls, and the conference room is free for desk members when it is available. The floor stays quiet and professional, with no organized events pulling you away from work.
