

Dedicated desk 107-B

Your own desk, every day

ABOUT THIS DESK

Desk 107-B is a dedicated workstation at 2727 Coworking, on the same floor as the lounge, the kitchen and the phone booths. It belongs to you alone: the same desk every day, ready when you arrive, with nobody else setting up on it while you are out. You come and go 24/7 with the Kisi phone app or a fob, early mornings and late evenings included.

Gigabit fibre and coffee are part of the membership, the phone booths take care of private calls, and the conference room is free for desk members when it is available. The space is quiet and professional, with no reception desk and no organized events, so it works well for steady, heads-down days. Book a visit to see the desk and the floor in person.

Ideal for: Freelancers and remote employees wanting a fixed desk
