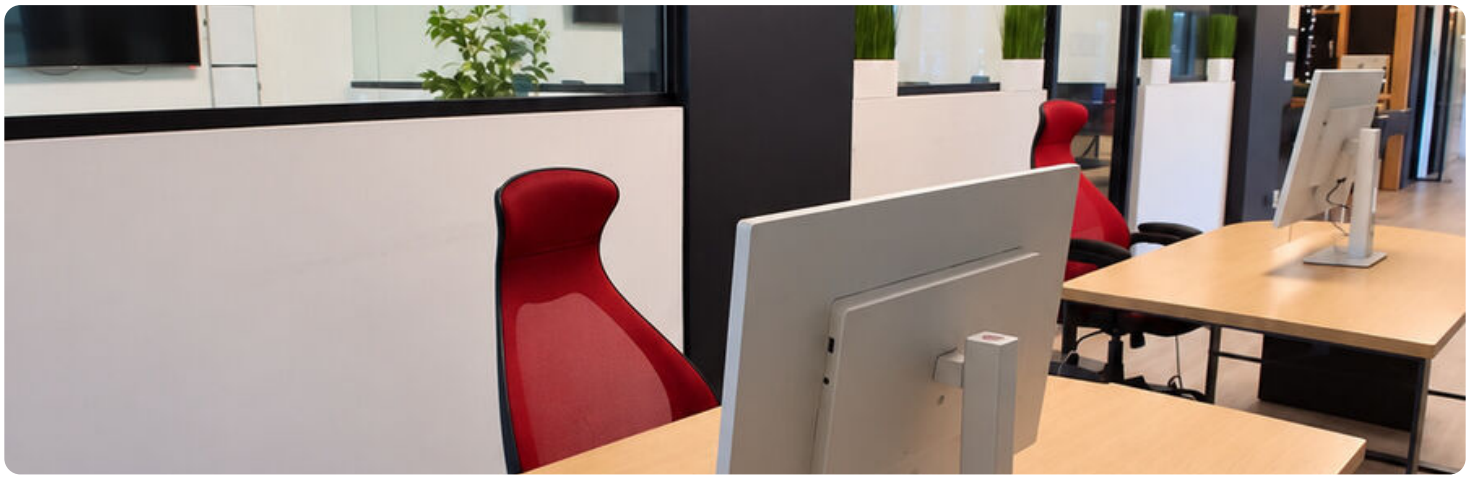
Dedicated desk 109-A

Rounded oak desk, east wing



ABOUT THIS DESK

Desk 109-A sits in the east wing of the floor, where the rooms are lined with glass and the ceiling panels keep everything evenly bright. The desk has a rounded oak top with a cable grommet, a slim black steel frame and a red high-back mesh chair. From your seat you look down a clean corridor of glass-walled offices toward the lounge, with green planters along the partitions.

It is your desk alone, open to you 24/7 through the Kisi phone app or a fob. Gigabit fibre and coffee are included, the lounge and phone booths are a short walk away, and the conference room is free for desk members when it is open. The wing is calm and businesslike, the kind of setting where a video call does not compete with background noise.

Ideal for: Account managers, accountants and polished solo professionals
