

Dedicated desk 109-C

Dedicated desk in the east wing

ABOUT THIS DESK

Desk 109-C is a dedicated workstation in the 109 section, the east wing of the 2727 floor, near the lounge and the glass-walled private offices. It is reserved for you alone, so you arrive to the same desk every morning, set up the way you left it. Access runs 24/7 with the Kisi phone app or a fob, which makes early starts and late finishes easy.

Gigabit fibre and coffee are included, the phone booths are there for calls that need a closed door, and the conference room is free for desk members when it is available. The space is quiet and professional, self-serve rather than staffed, and members greet their own visitors. Book a visit to see this desk and the east wing before you decide.
