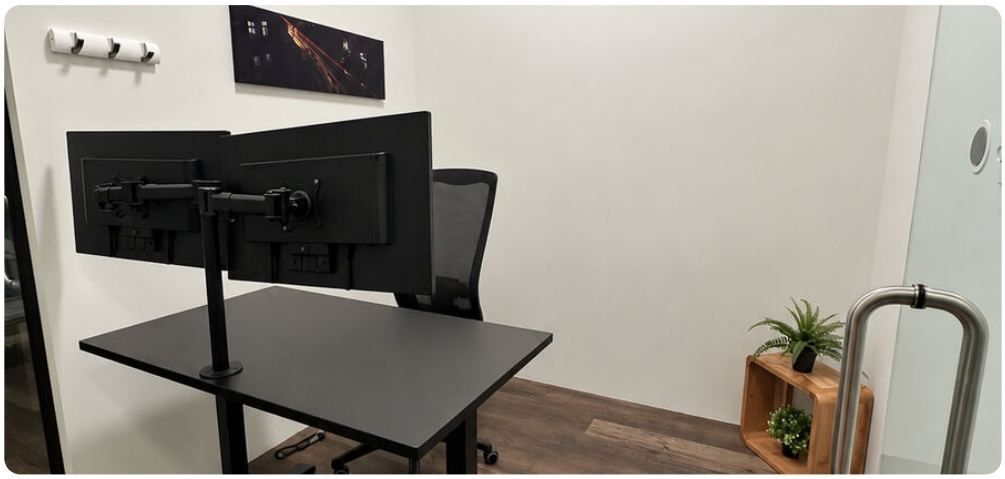
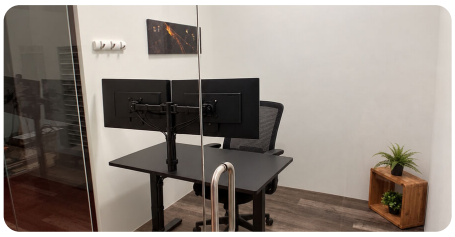
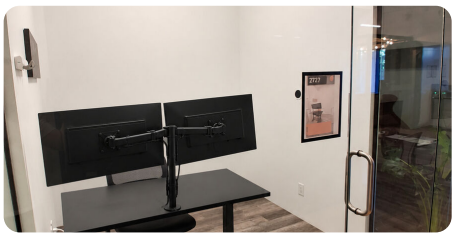
Private office 104-2

Glass-fronted solo office, west wing







ABOUT THIS OFFICE

Office 104-2 is the middle one of the three single offices on the west end wall, between 104-1 and 104-3. Its front is floor-to-ceiling glass with a glass door, so light from the floor reaches the desk while the room stays closed and lockable. Inside, white walls, a high ceiling with white-painted pipes and a warm grey plank floor keep it clean and uncluttered, with nothing in the way of your work.

It is set up with a black desk and a mesh task chair facing a long art print, plus a small plant in a wooden crate in the corner. Hooks by the door take a coat and a bag. The office is furnished and has a window, and it includes gigabit fibre with wired ethernet available, coffee, cleaning, printer access and the phone booths for calls you would rather take elsewhere.

Ideal for: Consultants, recruiters and sales reps working solo
